

Provider and Sponsors Linking Opportunity 2010

CMSA-Detroit is offering a sponsorship opportunity to the medical care providers and vendors in our area. During our annual sponsorship opportunities this year, we have reduced our fee to \$75.00 for the initial set up, and up to five additional categories at no extra charge, through January 22, 2010. We will post a brief description of your company on the local website with a link to your own website. Member and Non-member case managers, nurses, insurance adjusters and other interested health care providers will have the ability to check out the website for information they may need in caring for their clients. It is one more opportunity for your company to link with the Case Management Society of America-Detroit showing support and providing your company's capabilities to the medical community.
