

LIAISON NURSE

The Visiting Nurse Association (VNA) of Southeast Michigan (www.vna.org), the largest, independent nonprofit home health care and hospice organization in southeast Michigan, has immediate opportunities for **LIAISON NURSES** in the metro Detroit area. Our Nurse Liaisons work in the hospital, focusing on home care and hospice coordination, consulting and establishing relationships with discharge planning staff, nursing staff and physicians, and educating about home care and hospice services. Ideal candidates will have current RN licensure/BSN preferred, strong communications, analytical and interpersonal skills. Previous hospital, homecare and/or hospice experience required - case management background a plus!

The VNA offers a comprehensive compensation and benefits package, including various Blue Cross Blue Shield plans, Delta and Cigna dental plans, company paid life and long-term insurance disability, 401k with company contribution and match, tuition reimbursement, generous time-off plans, flexible scheduling and much more!

Send resumes to jwhite@vna.org or visit us at www.vna.org and go to “Careers”.
